corralit®

## Use your fantasy

Imagine a kitchen or bathroom, where colors and textures flow seamlessly together where surfaces, sinks, basins and elegantly lines become as soft cascades.

It would be great if you could design your kitchen or bathroom to be like this?

With Corralit you can make extra sinks, washbasins and bathtubs or integral part with not only sensational views, but also practical.

Corralit has a porous nature without open joints, so you can spend less time worrying about detach, dirt and germs and gain more time for more creative activities than cleaning

## Perfect integration

With Corralit you have the possibility to create a continuous sheet as a kitchen worktop, implement your bathroom or around your bath.

The perfect seal collection removes dirt and water, minimize the cleaning and maintenance.

Thanks to the simple installation and maintenance of a plate or a collection series of plate allows you to implement the Corralit in several areas of use.

## **This is your bathroom**

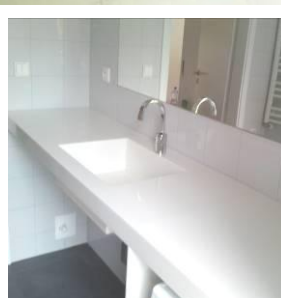

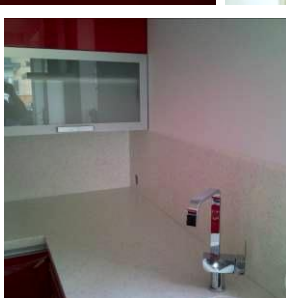

## **Your bathroom is a reflex you**

With Corralit you can do a lot of personal things in your home.

Use colors and textures that you like for photography concept, combined with tiles, metal, wood, stone or glass. Because it is easy to live with Corralit, selection will take into account not only at your sense of style but also its practical side.

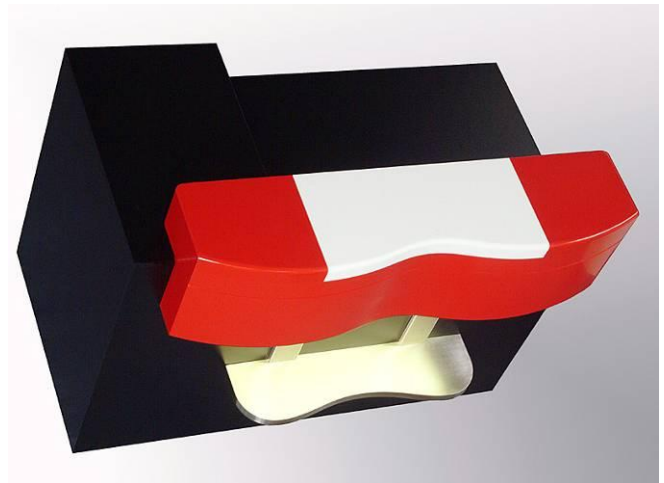

## This is your Kitchen

## Use your fantasy

Your kitchen is just an empty box until you add your fantasy to it  
It is surprisingly easy with Corralit to create, cut and run what you want.  
Wake up your fantasy with the flow; concept, form and detail, there are no rules.  
Enjoy

**It's your business**

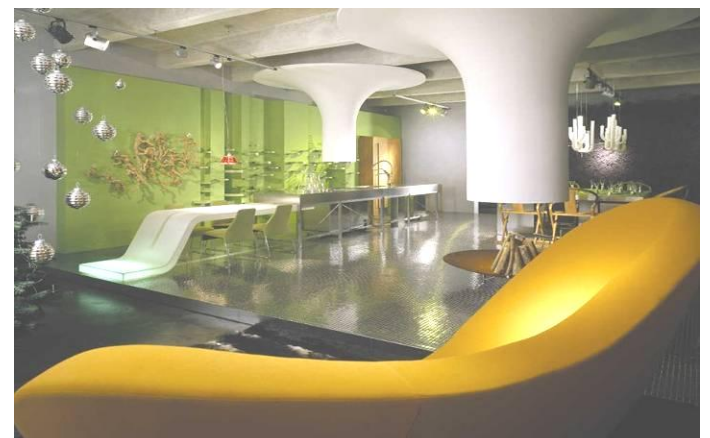

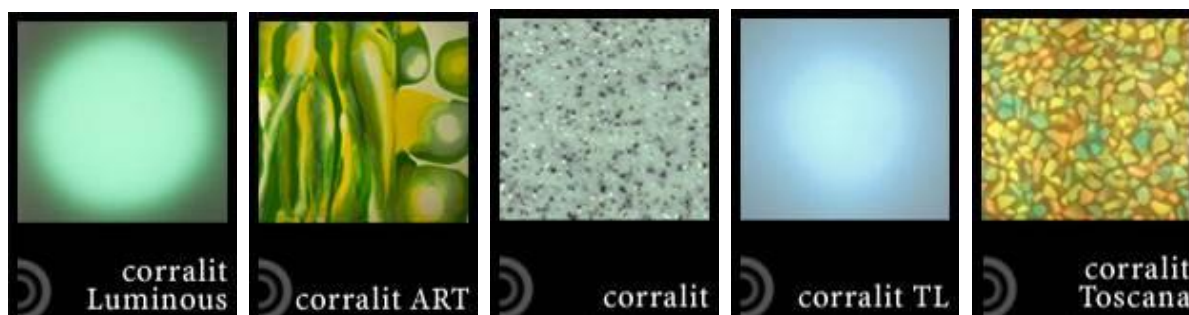

## **How is Corralit?**

Corralit is colorful, Joy, imaginative universal, stylish, adaptable to be used in any shape or design of virtuality. Corralit is simply used just to live happy with.
